Emergency Medical Release

It is the general policy of the school to call an ambulance should a child be seriously injured and in need of emergency treatment. The Gritman Medical Center is the hospital we use. This general policy is followed only if, in the sole opinion of the individual left in charge, delay in securing treatment would not be in the best interest of the child. Otherwise parents will be notified and asked to take the child to their family physician for medical treatment.

- We would like the above policy to be followed in the event that emergency treatment was felt necessary by the individual in charge.
- We do **NOT** want the above policy to be followed in the event of a medical emergency. We would rather have the following procedure followed: _____
